## Monetta Young Investor Fund Partners With GiveAshare.com®

WHEATON, IL- February 15, 2011-Monetta Financial Services, Inc., the investment advisor to the Monetta Young Investor Fund ([www.younginvestorfund.com](http://www.younginvestorfund.com), NASDAQ:MYIFX) has established a partnership with GiveAshare LLC ([www.giveashare.com](http://www.giveashare.com)), which offers one share ownership in over 100 of America's leading companies and includes the authentic stock certificate. Collectible stock certificates offer kids a sense of ownership that connect them to their favorite companies in a fun and educational way.

"We are delighted to partner with GiveAshare, as a valuable learning tool for kids" said Bob Bacarella, Monetta's President. "Individual stock ownership is one of the basic ways to grab a young child's attention to encourage them to get involved in the investment process at an early age."

The partnership provides a discount to individuals interested in purchasing a share from GiveAshare to those that visit the Monetta Young Investor Fund website at [www.younginvestorfund.com](http://www.younginvestorfund.com).

"GiveAshare and Monetta share a common objective to provide parents an easy way to help their kids learn about money and the stock market" says Rick Roman, GiveAshare Founder. "We are also making available to Monetta Fund Shareholders our "I'm a Shareholder Kit" that was written to create interest in the management of money at an early age."

The Monetta Young Investor Fund is a no-load mutual fund that invests half of its portfolio in Exchange Traded Funds (ETF's) that track the S&P 500 Index combined with investments in large-cap growth companies that are recognized by most investors. The fund is designed to get kids involved in the investment process with an innovative portfolio structure and a financial literacy component. The minimum initial investment is \$100, with the establishment of a \$25 monthly automatic investment plan.\*

GiveAshare specializes in selling real one share ownership in over 100 of the world's most beloved companies. The stock certificate is legally registered in the recipient's name entitling them to declared dividends, annual reports, and any other shareholder perks.

For more information on GiveAshare, please visit [www.giveashare.com](http://www.giveashare.com) or for more information on the Monetta Young Investor Fund, please visit [www.younginvestorfund.com](http://www.younginvestorfund.com) or call 1-866-YNG-INVESTOR (964-4683).

### Disclosures

\*An Automatic Investment Plan does not assure profit, and does not protect against a loss in declining markets. Such a plan involves continuous investment in securities regardless of fluctuating price levels and investors should consider their financial ability to continue purchases through periods of low price levels.

**The Fund's investment objectives, risks, charges and expenses must be considered carefully before investing. The statutory and summary prospectuses contain this and other important information about the investment company, and may be obtained by calling 1-800-Monetta, or visiting [www.monetta.com](http://www.monetta.com). Read carefully before investing.**

For custodial accounts, MFSI has a "college savings program" where the Monetta Shareholders automatically receive an investment kit, a quarterly newsletter, various educational materials and in addition, if enrolled, will receive Tuition Rewards. All costs for the College Savings Program, including participation in the Tuition Rewards Program, are paid by MFSI.

The S&P 500 Index is a broad based unmanaged index of 500 stocks, which is widely recognized as representative of the equity market in general. Since indices are unmanaged, it is not possible to invest in them.

*Limiting the purchase of individual stocks to companies that produce products or provide services that are recognized by children or teenagers may be a risk if this sector underperform, which can be significantly affected by the performance of the overall economy, interest rates, competition, consumer confidence and spending, and changes in demographics and consumer tastes. The portion of the Fund that invests in underlying ETF that track the Index will be subject to certain risks which are unique to tracking the Index. By investing in ETF, you will indirectly bear your share of any fees and expenses charged by the underlying funds, in addition to indirectly bearing the principal risks of the funds. Please refer to the prospectus for further details. All investments, including those in mutual funds, have risks and principal loss is possible.*

While the Funds' are no-load, management and distribution fees and other expenses may apply. Please refer to the prospectus for further details.
