## Monetta Fund Celebrates 30th Anniversary

**It all Started as an Investment Club**

WHEATON, IL-June 8, 2016. Monetta Financial Services, Inc., is pleased to celebrate the Monetta Mutual Fund's (MONTX) 30th anniversary. Since its inception on May 6, 1986, the Fund has been managed by Robert S. Bacarella, the president and founder. Monetta Fund evolved from an investment club that started in the mid-70's, to an investment partnership in 1979 before launching the fund as a registered investment company in 1986.

Mr. Bacarella, as manager of the Monetta Fund, was featured on the cover of Kiplinger Personal Finance Magazine in March 1992 highlighting the Fund's performance and growth investment philosophy. Commenting on his three decades of managing the Fund, Mr. Bacarella stated, "It has been both an exhilarating and humbling experience to weather the ups and downs of the market over the years. I enjoy the intensely competitive nature of the stock market especially with the sheer speed and volume of information that can affect the market."

The longevity of the Monetta Fund and Mr. Bacarella's uninterrupted service as a 30-year manager is an accomplishment which only a few managers can claim...especially when you consider it all started out as an investment club.
