Monetta Young Investor Fund Wins 2013 Lipper Fund Award

WHEATON, IL- March 28, 2013-Monetta Financial Services, Inc., the investment advisor to the Monetta Young Investor Fund (www.younginvestorfund.com, NASDAQ:MYIFX) wins 2013 Lipper Fund Award.

Monetta Financial Services, Inc. today announced the Monetta Young Investor Fund (MYIFX) was the recipient of the 2013 Lipper Fund Award for the best Multi-Cap Core Fund for the five-year period based on consistent risk-adjusted performance among 214 funds ending November 30, 2012.

"We are honored to be recognized by Lipper for the Monetta Young Investor's performance over the last five years," said Robert Bacarella, President of Monetta Funds. "We believe our portfolio structure of combining a passive and active management style provides a level of risk aversion by minimizing the dependence on stock selection and market timing decisions on long-term investment performance."

The Monetta Young Investor Fund, which is open to all investors, employs a "core-plus" investment approach. The Fund invests approximately 50% of its assets in Exchange Traded Funds ("ETF's") and other funds that seek to track the S&P 500 Index (the "Index").

Mutual fund investing involves risk. Principal loss is possible. The portion of the Fund that invests in underlying ETF's that track the Index will be subject to certain risks which are unique to tracking the Index. By investing in ETF's, you will indirectly bear your share of any fees and expenses charged by the underlying funds, in addition to indirectly bearing the principal risks of the funds. The Fund may invest in smaller companies and small-cap and mid-cap stocks may be more volatile and risky than large-cap stocks. The Fund may make short-term investments, without limitation, for defensive purposes, which investments may provide lower returns than other types of investments.

The S&P 500 Index is a broad based unmanaged index of 500 stocks, which is widely recognized as representative of the equity market in general. It is not possible to invest in an Index.

The Fund's investment objectives, risks, charges and expenses must be considered carefully before investing.
